CLOSE OF THE PRACTICE SEASON

Slippery Ball Results in Many Fumbles-Taylor's Line Plunging is Feature of University's

Tactics.

NCOLN, Sept. 30 .- (Special Telegram.) wiebraska university concluded its pracseason today by easily defeating Lineeln High school, 30 to 0. The Cornhuskers scored four touchdowns, but could not kick a goal. The game began in a brisk rain and both teams floundered about in deep mud. Booth's proteges confined their efforts chiefly to line bucking, but the slippery ball caused frequent fumbles and long gains were scarce. The feature of Nebraska's offense was the line plunging of Taylor, Nebraska's big colored right guard, whose rushes the school boys, although quite husky for their class, could not stop. The Cornhuskers tried but few end sprints and the mud made most of them easy for Lincoln to check. The lineup: NEBRASKA. LINCOLN.

### THE VALUE OF CHARCOAL.

Few People Know How Useful it is in Preserving Health and Beauty. Nearly everybody knows that charcoal is

the safest and most efficient disinfectant and purfler in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the sys-

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe oathartic. It absorbs the injurious gases which cot-

fects the mouth and throat from the poison of catarra. All druggiets sell charecal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lesenges; they are composed of the finest powdered willow charcoal and other harmiess antiseptics in tablet form, or,

rather, in the form of large, pleasant tasting losenges, the charcoal being mixed The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is that no possible harm can result from their continued use, but, on the contrary,

A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in the stomach and and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores. and although in some sense a patent preparation, yet I believe I get more and betcharcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tab-

IOWA WINS FROM MONMOUTE Form and Strength Carry Victory Despite Ragged Play.

IOWA CITY, Is., Sept. 30.—(Special Telegram.)—lowa defeated Monmouth college easily today by a score of 40 to 0, showing superior form and strength throughout the contest. Iowa's play was ragged, however, and there was one costly fumble. Monmouth was not as heavy and its plays lacked steam. Both teams weakened toward the end of the last half, but Schwin was sent over for the seventh touchdown. Touchdowns: MacGowan (3), Kent, Schwin (2), Moore. Goals from touchdowns: MacGowan 5.

mouth was not as heavy and its plays lacked steam. Both teams weakened toward the end of the last half, but Schwin was sent over for the seventh touchdown. Touchdowns: MacGowan (3), Kent, Schwin (2), Moore. Goals from touchdowns: MacGowan, 5.

Kent kicked off short to Norwood, who was downed in Monmouth's thirty-yard line. The ball changed hands twice and Monmouth punted to Kent, who was downed in centerfield. Sensational hurdling by MacGowan and heavy smashes off both ends by Green and Schwin carried Iowa within striking distance, when MacGowan went over for an easy touchdown, following with an easy goal. Iowas-kicked off to Monmouth, recovered the ball promptly on a fumble and MacGown was sent over for a second touchdown. He falled to kick goal. Long gains by Moore, more smashes and a clever quarterback kick by Kent were responsible for another touchdown by MacGowan. Monmouth kicked to lowa and for the minutes the two teams fiddled across the field, Iowa playing erratic foot ball. After a brilliant run by Green Kent encircled right end for twenty yards and scored. The half closed with Iowa 25, Monmouth 0.

In the second half Doane's territory, time being called on its thirty-yard line. Time of half: 25:00.

In the second half Doane kicked to Omaha. The ball was fumbled on the forty-yard line and during the rest of the half fumbles were very frequent owing to mud, which made the ball too slippery to handle. Day, Jackson and Captain Furher of Crete did the best work for Doane. Day and Jackson were especially good in breaking interference. The Commercial college boys express their pleasure at the courteous treatment received at Crete. Every endeavor will be made to bring Doane college to Omaha November 4 to play off the tie, if possible. Lineup:

In the second half Iowa showed itself to In the second half lows showed itself to be constantly master of the situation, though team gains were not consistent. After the first kick-off lows advanced the hall softly to the thirty-yard line, where Kent failed to place a field goal. Monmouth punted out from the twenty-five-yard line. The Hawkeyes slowly carried the ball back and Schwia west over for the fifth touchdown. MacGowan kicked a goal. The

Nebraska City High School Wins. NEBRASKA CITY, Neb., Sept. 30.—(Special Telegram.)—Nebraska City High school defeated Plattsmouth High school in an interesting game of foot ball this afternoon. The score was II to 0. The home team made all of its points in the first half.

Aurora Defeats York.

Hall, 3 down. Thomas, 5 down.

AURORA, Neb., Sept. 30.—(Special.)—The Aurora High school foot ball team won their first game played this season, from York today by the score of 10 to 0. The boys have put in some hard practice the past two weeks and were very aggressive. Two Miners Killed at Deadwood DEADWOOD, S. D., Sept. 30.-M. E. dathias and J. G. McFadden, working night shifts in the Saginaw mine, were found dead in the tunnel today. They had been killed by a premature blass

Two Men Burn to Death and Third is Mortally Injured.

SAILORS' LODGING HOUSE DESTROYED

People on Roof Rescued by Firemen After All Hope of Escape Had Been Practically

Abandoned. NEW YORK, Sept. 30 .- Two men were

burned to death as they slept, a third was so badly burned that he died in a hospital, another is in a dangerous condition, and several others suffered serious, but probably not fatal injuries in a fire in a twostory saloon, restaurant and lodging in West street. The two men who lost their lives occupied a room in the rear of the building. They were overcome by smoke and burned to death in their bed. All the occupants of the house were sailors and longshoremen, except one woman, housekeeper. Those who suffered death and injury were suffocated and burned within a few minutes, the fire being extinguished before the damage had exceeded \$3,000.

The first known of the fire outside, was when McClelland, his clothing on fire, dashed down stairs from the lodging house and ran into the saloon. The bartender threw his apron around the flaming man and finally succeeded in smothering the flames. McClelland's condition was such however, that he died within an hour. McCleliand was the only lodger to get

to the street by the stairs. The others, as they awoke in the stiffing smoke, found the stairs blocked by flames. Some of the stairs blocked by flames. Some of them succeeded in reaching windows from which they were rescued by firemen, but them succeeded in reaching windows from McMahon and Vaugh were overcome by smoke and burned to death in their bed. Four of the lodgers who were unable to each windows had a narrow escape from death in the flames. They had made their way to the roof of the building through the skylight only to find the burning building separated from those adjoining by a chasm a dozen feet in width on both sides. None of them dared attempt a leap which might have landed them in safety on another roof or sent them crashing to death on the stone paved courts below. They were surrounded by flames and the roof on which they stood was scorching their bare feet when their plight was called to the attention of the firemen and they were rescued.

Patrick Doud, the worst injured of those rescued from the fire, later died from his burns.

### DEATH RECORD.

OSCEOLA, Neb., Sept. 30.-(Special).-The seath of Mr. N. F. Peterson, one of the most prominent citizens, occurred at the family residence at near noon yesterday, after an illness of about two weeks. Mr Peterson was well known throughout the county having been in the grain business for a number of years, being a member of the firm of Peterson & Nelson.

Alfred Wolsey Heermance. NEW YORK, Sept. 20 .- The death of Alfred Wolsey Heermance, director of the American school at Athens, was announced today in a cablegram received from Prof. Wheeler of Columbia university. Dr. Heermance had been ill for some weeks of typhoid fever. He was 39 years old.

Mrs. John J. Anderson. MODALE, Ia., Sept. 20.-(Special.)-The funeral of Mrs. Sarah Long-Anderson occurred here this morning at 19 o'clock from the local Christian church with interment

married at Knob Forks, W. Va., March 25, 1847, and was the mother of three children, all of whom survive her, Levi L.,

Mrs. F. H. Ludwig and Mrs. J. Z. Hammer. Jenne Griffin, Sr TEKAMAH, Neb., Sept. 30.-Jesse Griffin sr., aged 76 years, died at his home last night from stomach trouble. The deceased had taken practically no nourishment since June 20. Mr. Griffin was born April 29, in Wiltshire, England, and came to this county in 1868 taking up a homestead where
